

## **Petition Title: First Aid on the School Curriculum**

### **To the House of Commons**

#### **The petition of residents of the United Kingdom**

Declares that first aid education form part of health education in English primary and secondary schools; further that CPR training be included in this health education; and further that the petitioners welcome the Government's consultation on health education.

The Petitioner(s) therefore request that the House of Commons urges the Government to introduce basic first aid education, including CPR training, in English primary and secondary schools.

And the petitioners remain, etc.
